Helping children in the Holy Land

The Holy Child Program, like the Star of Bethlehem, points to the Child as a hope for the future for children and their families in the Holy Land. The Franciscan Sisters of the Eucharist founded the program and continue as its consultants and spiritual guides.

The Holy Child Program provides intense therapeutic day treatment & alternative education for children in the Bethlehem region suffering from mental health issues and inter-generational trauma.

The Holy Child Program, through caring committed professionals, creates a safe sanctuary for families. It develops new skills in children, aiding in the recovery and rehabilitation from trauma, and building resiliency and instilling hope for the future.

The Holy Child Program provides proven evidence-based treatment services. Staff members receive regular training in different therapy modalities including behavior modification, emotion regulation skills and trauma therapy.

The Holy Child Program provides individualized programs to accommodate each child's unique strengths and needs. Staff members use in their experiential learning activities the rich cultural heritage of the Holy Land expressed in folklore, dancing, music and food. The program's goal is to return each child to community-based education. Through close teamwork and perseverance, staff members create an innovative, culturally adaptive, family-centered healing environment.

The Holy Child Program provides multi-level services providing: *A certified Alternative Education program; Individual & Family Counseling; Parent Education Groups; Mothers Groups; Adjunct Therapeutic Activities using Music, Animals, Dance & Art; Home visits, crisis counseling & referrals to medical & social services; & Summer Therapy Programs*

The Holy Child Program is entirely dependent upon donations. None of the families being served are able to pay tuition and very few can even pay the token fee. The Holy Child is the only program in the region which serves this population.

How can we help?

This event is sponsored by the Western Lieutenancy of the Equestrian Order of the Holy Sepulchre of Jerusalem. The Our Lady Queen of Palestine project was created and is led by Deacon Sir Ryan and Lady Wynsdey Adams. The annual golf tournament was created and is led by Sir Jim and Lady Judy Salz. This year all golf tournament proceeds benefit the **Holy Child Jesus Program**.

Scholl Canyon Golf and Tennis Club is an executive course with 12 short par 3 holes and 6 par 4 holes, with the longest hole being 260 yards. It will be played as a scramble tournament which means you play the best shot of your foursome on all holes. In other words it's FUN, EASY, AND NO PRESSURE! Perfect for the occasional golfer. Fee is kept low at \$200 or less and includes the round of golf, the cart, trophies and a tri-tip barbecue beef dinner afterwards when over 20 trophies are presented for closest to the pin and 1st, 2nd and 3rd Place teams. We want to sign-up 72 golfers to have a foursome on each hole which guarantees a shot gun start at 1 pm. The actual tournament will conclude by 4:30 pm. We are looking for golfers within the Order, however the tournament is open to all friends and family! Sponsorship opportunities are available. Thank you for supporting the Order and its commitment to the Our Lady Queen of Palestine program.
